

# Halifax West High School

September 2014

Dear Parent/Guardian

In an effort to provide information to student athletes and their parents, we have provided information on sport policy at Halifax West High School.

We ask that you read the information presented and that you have a conversation with your child as to the policy. We have the students' best interests in mind in providing them the opportunity to participate in athletics, and at the same time complete their high school education.

We ask that once you have read the material you sign and send in the slip at the bottom of this letter to the Team Coach or Athletic Director. This will ensure that both you and the student athlete are aware of the policy. This must be signed and passed in prior to the student athlete becoming a member of the school team.

It should be noted that individual coaches may have other rules/guidelines that are added to those expressed by the school. Your son/daughter should be aware of these rules/guidelines as well.

If you have any question or concerns, please feel free to contact me at the school.

Sincerely yours,

Mike Smeltzer  
Athletic Director
